BALLET AUSTIN

Butler Fellowship Program consideration for 22-23 or 23-24 depending on graduation dates. (serves as the Trainee Program for Ballet Austin) All Butler Fellowship positions are fully endowed, allowing the dancers the opportunity to train at Ballet Austin tuition-free. Dancers present their own repertory performances each spring and perform with Ballet Austin II and the main company in larger productions. In addition to classes and performance opportunities, the Butler Fellows receive access to onsite physical therapy as well as career management counseling and job placement assistance.
