### **Schedule:**

The general timeline will be posted after the city's registration deadline. (approximately 3 weeks prior to the event dates). We recommend that dancers **DO NOT FINALIZE TRAVEL UNTIL POSTING OF THE TIMELINE.** Specific performance order will be emailed directly to participants 2 weeks prior to event date.

### **Students need to pick up at check-in:**

One Audition Number that corresponds with your competitor number. The audition number must be worn at the front underneath the chest for Class Evaluation.

### **Teacher Pass Holders:**

Pick-up Pass at Check-in tables. Please provide studio name and pass holder name(s) if purchased in advance through registration. Teacher passes may also be purchased at the event. A pass will be required backstage and to view scored compulsory classes.

### **Parent Admission:**

Parents may view prepared solo competition, discussion forum with Judges, and Awards at no charge at all semi-final events. (parents do not have access to view scored classes, nor backstage.) If a parent is accompanying an independent student, serving as their teacher, you will need a Teacher Pass.

### **Compulsory Class Information:**

‘Technique Class Evaluation’ will be a full class given by the competition. Students will be separated by age division. Barre exercises serve as warm-up for the dancers and are not evaluated even though judges may be present. For centre exercises, students will be placed into small groups, in numeric order, and taught approximately 4-5 combinations for evaluation. The judge’s classwork scores will be averaged together to generate a single score per judge for each soloist. This score then becomes 1/3 of their overall result. The final 2/3 comes from the dancer’s prepared performances. 1/3 technical merits. 1/3 artistic merits.

### **Compulsory Class Attire:**

#### **Technique Class Evaluation**

- (Women) – Black Leotard Only, Any Style. Flesh colored Tights & Clean Bun.
- (Men) – Black/Gray Tights, white t-shirt/leotard (cap or tank) Hair Neatly styled, no bandanas.
- Ballet shoes will be worn for technique Class by all age divisions. (Senior ladies, please bring pointe shoes to technique class, jury may ask to see certain combinations en pointe, if time permits.)
- Audition number should be safety pinned (provided) in front, just under the chest

**\*\*Class attendance is mandatory for ALL Soloists in the competition.** If you are not present, there will be a significant point deduction. This also includes dancers who signed up for the contemporary division only.

Dancers who signed up to participate in an ensemble only, have the option to participate in the given classes. These dancers will not be assigned an audition #, and should attend the class that corresponds with their age.

### **Check-in Backstage:**

The section preparing to compete should be the only students backstage at that time. You will only need to check-in with the backstage manager during your open stage time. Any music irregularities or special instructions on stage entrance will need to be communicated with the backstage manager during open stage. Notify staff members whether you will enter *before or with the music*.

### **Panel Discussion Forum / Awards Ceremony:**

Panel Discussion and awards are open to all participants, parents, and teachers. Panel Discussion was designed to provide an intimate setting to help educate and provide insight not only for the students but parents. Students, parents, and teachers have this forum to speak directly to the Judges and ask questions. Past conversations have covered: tips on how to stand out at auditions/competitions, training opportunities, what judges look for, judge background and personal stories, tips for starting a career, and more. Awards Ceremony will follow the Panel Discussion. If award winners need to leave before the award ceremony, we will need you to coordinate a friend or teacher to pick up your award at the event. Post event shipping will not be available.

### **Score sheets & Video Critiques:**

ADC IBC utilizes electronic scoresheets. Scores and judge video critiques will be uploaded into your Dance Comp Genie Account the following day after the event. You will be able to locate this information from the main Dashboard. This provides a great learning opportunity after the event finishes.
