Compulsory Class Information:

'Technique Class Evaluation' will be a full class given by the competition. Students will be separated by age division. Barre exercises serve as warm-up for the dancers and are not evaluated even though judges may be present. For centre exercises, students will be placed into small groups, in numeric order, and taught approximately 4-5 combinations for evaluation. The judge's classwork scores will be averaged together to generate a single score per judge for each soloist. This score then becomes 1/3 of their overall result. The final 2/3 comes from the dancer's prepared performances. 1/3 technical merits. 1/3 artistic merits.
